Sydney Metro

NSW Government Action Plan

A ten point commitment to the construction sector

1. Procure and manage projects in a more collaborative way
2. Adopt partnership-based approaches to risk allocation
3. Standardise contracts and procurement methods
4. Develop and promote a transparent pipeline of projects
5. Reduce the cost of bidding
6. Establish a consistent NSW Government policy on bid cost contributions
7. Monitor and reward high performance
8. Improve the security and timeliness of contract payments
9. Improve skills and training
10. Increase industry diversity

Business as Usual Approaches

Past and Current Initiatives
