

National Harmonisation of Temporary Traffic Management Practice

Richard Delplace | Transport Network Operations Program Manager,
Austroads

Austroads acknowledges the Australian Aboriginal and Torres Strait Islander peoples as the first inhabitants of the nation and the traditional custodians of the lands where we live, learn and work. We pay our respects to Elders past, present and emerging for they hold the memories, traditions, culture and hopes of Aboriginal and Torres Strait Islander peoples of Australia.

Austroads acknowledges and respects the Treaty of Waitangi and Maori as the original people of New Zealand.

An abstract geometric pattern consisting of thin white lines connecting small white dots, forming a network of triangles and polygons, located in the bottom right corner of the slide.
