# NATIONAL ROAD SAFETY WEEK 2018

Workshops held to  
talk about continuous  
safety improvements  
in roadwork zones

Year 11 and 12 trade students and their teachers from Nerang senior High School said:

- They were **86%** unlikely to speed through a roadworks zone
- That **98%** understood what is expected of them in a roadwork zone
- They were **75%** likely to call out someone else's poor driving behaviour

Presented to over 700 students so far

# INTO THE FUTURE

- Potential for a nationwide Ventia school education campaign
- Influencing policy makers
- Incorporating roadwork education into licensing
- Utilising smart networks
- Increased compliance enforcement
